Oct 3, 2018 I love this about your forum which saved my bacon, Read  
the Comments below to see the source. Kudos go to "vbox.ins". Thank  
you for posting this EXE. I tried 4 others but they all require "SEE  
ELECTRICAL EXPERT V3R7\_ED.TXT" file and I don't have that.. I  
don't care about a crack, but if it's possible, I would love to try to crack  
it. Big thanks to the guy who posted the EXE. I went through the  
comments and read them all.. all credit to him and vbox.ins, but thanks  
to all. OK, back to posting comments on this thread and to my research  
into the hl3 dongle and hl dongle software. se [f4bc01c98b] edit  
SeeElectricalExpert.exe Feb 6, 2019 I really like this program. I have a  
regular dongle and the hl4 crack works flawlessly. I'm trying to figure  
out how to bring it over to my see. But in both cases it seems the same  
file (seeelectricalexpert\_v3r7\_ed.txt) is required. I have two thoughts in  
trying to crack it. One would be to try to use the trial version. I'm  
wondering if it's possible to use the trial version and, once I got it,  
convert it to see for the full license? It seems like the trial version  
probably only allows 4 simultaneous users but it also has a USB cradle  
for a device for emulation. I think I could download the latest version of  
the usb emulate software and try that with the 570a42141b
