
Itunes 10.7 64 Bit For Windows 7 [UPDATED] Download

September 28, 2012 - Trying to download iTunes 10.7 on Windows 7 64-bit. When I click the "Download Now" button, "Thank you for downloading" immediately appears. ... Nothing happens. I tried installing iTunes 10.7 using Windows 7 64-bit but it still doesn't work. Does anyone know what program iTunes is using? How can I solve this problem? Thank you in advance I had a problem downloading iTunes and it worked fine after I installed on Mac OS X 10.7 using the 64 bit version. When I downloaded iTunes it immediately said "Thank you for downloading" which meant that iTunes was working properly.
