Zen And Art Of Stand Up Comedy Pdf 23

the ultimate stand-up comedy argument: a bar exists solely to serve you. comedy is a conversation, a conversation with the audience, and especially when it comes to comedy specials, theres no one else to talk to but the audience, and its a conversation you should be participating in. thats what makes delirious so important. theres a lot of straight up stand-up comedy on this list, and thats because thats what most people expect to see. but delirious is different. it doesnt just stand up and talk about a topic, it physically engages you. with a stick. with your hands. with your mouth. theres a profound affective power to the physical nature of comedy, especially in the hands of a master like bill murray. and i say master because thats exactly what he is: a master. murray is a comedian with a totally unique physical and mental approach to comedy, and its not simply a matter of some sort of physical comedy. its a sort of idiomatic stand-up, in which he uses his enormous will and power of endurance to convey his characters and stories through physicality. murray has a voice as distinctive and unique as any in stand-up, and thats most evident in delirious, where he uses that voice to tell stories about his character the way only he can. delirious works because of the physicality of the dialogue, a dialogue that can be as physically expressive as it is intellectually deep. its also important that the dialogue is essentially one-on-one, as opposed to a more traditional stand-up, in which every character must be projected as a group. its no coincidence that the standout performances in this movie are all from bill murrays character, and that his acting is one of the keys to his success. the character of bobbi, in particular, is a revelation; its a wonderful performance from the always great julia sweeney, and its one of the most emotionally devastating moments in a comedy film in recent memory. delirious isnt going to change the world, but it will undoubtedly leave you emotionally changed.garrett martin 5ec8ef588b
